ES G General Information

ES G.1 Formula Student Spain

ES G.1.1 Competition Classes

ES G.1.1.1 FSS 2026 is the 16th Edition.

ES G.1.1.2 The competition is divided into four classes, summarized in Table ES G.1.

Class	Abbreviation	Eligible Vehicles
Combustion Vehicle Class	CV	Internal Combustion Engine Vehicle (ICEV)
		Hybrid Combustion Vehicle (HY)
Electric Vehicle Class	EV	Battery Electric Vehicle (BEV)
Driverless Vehicle Class	DV	Vehicles eligible in Combustion (CV) or Electric (EV) classes, equipped with an autonomous driving system.
Classic Cup Vehicle Class	CLCV	Vehicles previously eligible in Combustion (CV) or Electric (EV) classes, whose first appearance in an official competition occurred more than five years ago.

Table ES G.1: Competition vehicle classes

ES G.1.1.3 There is no Class 2 (static/concept-only category); teams without a functional competition-ready vehicle will not be allowed to participate.

ES G.1.2 Competition Dates and Location

ES G.1.2.1 FSS 2026 will be held from Saturday 1st until Friday 7th of August 2026.

ES G.1.2.2 FSS 2026 will take place at the Circuit Barcelona-Catalunya in Montmeló, Barcelona, Spain.

ES G.1.2.3 **[LATE ARRIVAL EXCEPTION]** FSS 2026 starts on 1st August for team arrival and setup. Teams unable to arrive on that day due to travel from another competition may request late arrival. Requests must be made in advance by contacting the organization and explaining the situation. The FSS organization will adjust schedules to facilitate participation in case of clashes.

ES G.1.3 Official Websites and Platforms

ES G.1.3.1 The URL of the FSS 2026 website is available `https://www.formulastudent.es`

ES G.1.3.2 This is the main communication channel of the competition, where all official announcements, public documents, and updates of general interest will be published.

ES G.1.3.3 Documents specific to teams participating in the competition are available only on the Skynet platform (`https://skynet.formulastudent.es`), accessible by logging in with the team account.

ES G.1.3.4   Teams are responsible for regularly checking both the website and Skynet to stay informed about all communications and updates.

ES G.1.4   Competition Official Time

ES G.1.4.1   The FSS 2026 date/time format is "YYYY-MM-DD hh:mm" according to ISO 86011.

ES G.1.4.2   The FSS 2026 time zone is Central European Time (CET) or Central European Summer Time (CEST) from last Sunday of March to last Sunday of October, Europe/Madrid.

ES G.1.4.3   The FSS official time will be:

From	Till	Time
2026-03-30	2026-10-26	CEST

ES G.1.4.4   The time of the FSS 2026 is the official time for all deadlines and decisions.

ES G.1.5   Applicable Rules

ES G.1.5.1   FSS 2026 will comply with the Formula Student Rules 2026 which is published on the FSG homepage.

ES G.1.5.2   The Formula Student Spain Rules 2026 is to be considered part of the rules. This document includes some specific rule changes and additions, which supersedes all other rules.

ES G.1.5.3   The Formula Student Spain Rules 2026 is to be considered valid over and above all other rules in case of contradictions.

ES G.1.5.4   Specific rules-related questions should be sent by the team's captain via email to the address rules@formulastudent.es. Formula Student Spain Rules team will provide an answer via email.

ES G.1.5.5   The officials reserve the right to interpret or amend the competition rules at any time and in any manner they consider necessary for the safe and efficient conduct of the event.

ES G.1.5.6   Formula Student Spain Classic Cup competition will follow specific rules that will be detailed in a separate document.

ES G.1.6   First-Year Vehicle Exceptions

ES G.1.6.1   Teams competing exclusively in the Driverless (DV) class may request permission from the officials to reuse an existing chassis for more than one year. Approval is subject to evaluation by the organization.

ES G.1.6.2   Other exceptions may also be considered by the officials, provided that the team submits a justified request with supporting arguments for evaluation.

ES G.1.7   [EV ONLY] Solutions on EV 5.8.5 - EV 5.8.7 and EV 5.8.14

ES G.1.7.1   FSS understands that updated temperature sensor placement requirements (EV 5.8.5 - EV 5.8.7 and EV 5.8.14) may cause serious issues with already manufactured or purchased accumulator parts.

ES G.1.7.2   Teams may contact FS Spain to find an appropriate solution or to approve (double check) solutions previously agreed with another competition(s).

ES G.1.7.3   The previous version of the rules (2025 v1.1) is not permitted for EV 5.8, as the current FS Rules 2026 v1.1 include changes in this section specifically introduced to improve safety.

ES G.1.8   **FSS Handbook 2026**

ES G.1.8.1   The FSS Handbook 2026 will be sent to participating teams and also published in FSS website before August, 1st 2026.

ES G.1.8.2   The FSS Handbook 2026 will contain:

- Participating teams.
- Boxes distribution.
- Map showing event locations.
- Detailed schedule.
- Emergency information.
- Other important information for the event.

ES G.2   Official Awards

ES G.2.1   **First Overall Awards**

ES G.3.2 Scoring Complaint Procedure

ES G.3.2.1 To initiate the protest procedure according to A 3.7.2, a request for clarification must be submitted via email to the address rules@formulastudent.es before the announced protest deadline. The request must at least contain the following information:

- Rule interpretation, score or official action to be protested against.
- Explanation of the team's interpretation of the rules regarding the incident.
- Additional material supporting the team's interpretation.

ES G.3.2.2 After submitting the request for clarification, the team captain is going to be contacted by an official for an informal preliminary review. Within 2 h after the review the team can choose to continue the procedure by submitting a formal protest via email to the address rules@formulastudent.es, binding 25 points to it. If no formal protest is received within 2 h after the review, the protest procedure for this incident is cancelled permanently.

ES G.3.2.3 If no explicit protest deadline is announced, the deadline is 24 h after the respective incident.

ES G.3.2.4 The protest deadline for scoring results will be detailed when the scoring of a discipline is made public. No protest procedures will be accepted by the organization outside of the specified protest deadline.

ES G.3.3 Penalties

ES G.3.3.1 Teams that do not comply with the official rules, procedures, or general event guidelines may be subject to a points penalty at the discretion of the officials.

ES G.3.3.2   Teams whose members fail to follow a direct instruction from an official will incur a penalty.

ES G.3.3.3   The number of penalty points shall depend on the severity of the team's behavior, as outlined below:

Behavior Severity	Penalty Decision
Low	1-5 points
Moderate	5-25 points
High	50 points
Critical	Team's disqualification from the FSS event

ES G.3.3.4   If a team receives two High-Severity warnings, it will be treated as a Critical warning.

ES G.4   Competition Site Organization

ES G.4.7.1   The team is responsible to keep environmental conservation on their zones (specially trash on pits, another dynamics areas or near of these zones).

ES R   Event Registration

ES R.1   Registration Slots

ES R.1.1   Slots Information

ES R.1.1.1   FSS 2026 is limited in total to 80 slots.

ES R.1.1.2   There are not reserved slots to a specific competition class.

ES R.1.1.3   Vehicles that participate in both the driver and driverless competitions are considered as a single team and occupy a single slot.

ES R.1.2   Selection Criteria

ES R.1.2.1   Due to the expected high demand exceeding the 80 available slots, teams will be selected through a merit-based evaluation process.

ES R.1.2.2   In case of tied scores, selection will follow first-come, first-served basis based on evaluation submission time.

ES R.1.2.3   Additionally, priority will be given to:

- Overall winners from FSS 2025.
- Teams that have participated in all previous editions of FSS.
- Spanish teams.
- Teams ranked within the Top Ten of the World Ranking List of 2025, according to `https://dev.fs-world.org/ranking`.
- Teams that finished within the Top Ten Overall at FSS 2025.

ES R.1.3   Results Structure

ES R.1.3.1   Teams requesting a slot will be distributed across different lists according to Selection Criteria results.

ES R.1.3.2   Preliminary Accepted List – The 80 teams pre-accepted to participate in FSS 2026.

ES R.1.3.3   Preference Waiting List – The 40 teams with preference to enter the "Preliminary Accepted List".

ES R.1.3.4   Standard Waiting List – Remaining teams that applied successfully.

ES R.1.3.5   Teams can be moved from "Standard Waiting List" to "Preference Waiting List" or from "Preference Waiting List" to "Preliminary Accepted List", if a team on the destination list declines.

ES R.2   Registration Timeline and Procedures

ES R.2.1   Overview

ES R.2.1.1   The registration process consists of three main phases:

1. Pre-Registration.
2. Quiz.
3. Registration results.

ES R.2.2   **Pre-Registration**

ES R.2.2.1   Opens Monday, January 19th, 2026, at 11:00 CET.

ES R.2.2.2   All teams must complete the form available on the FSS website with required information to complete the pre-registration.
