

FORMULA STUDENT POLAND

Registration procedure

1. General information

The event will take place on 27.08.2024-02.09.2024 at the Autodrom Słomczyn circuit in Poland.

The maximum number of overall teams (CV&H + EV) is 30, the final division into classes will be published after the registration quiz.

FSP 2023 winners in the EV and CV categories must create an account on the FSP platform. As winners, they do not have to take the quizzes and pay the fee, places for the winners are reserved.

FSP 2023 Winners:

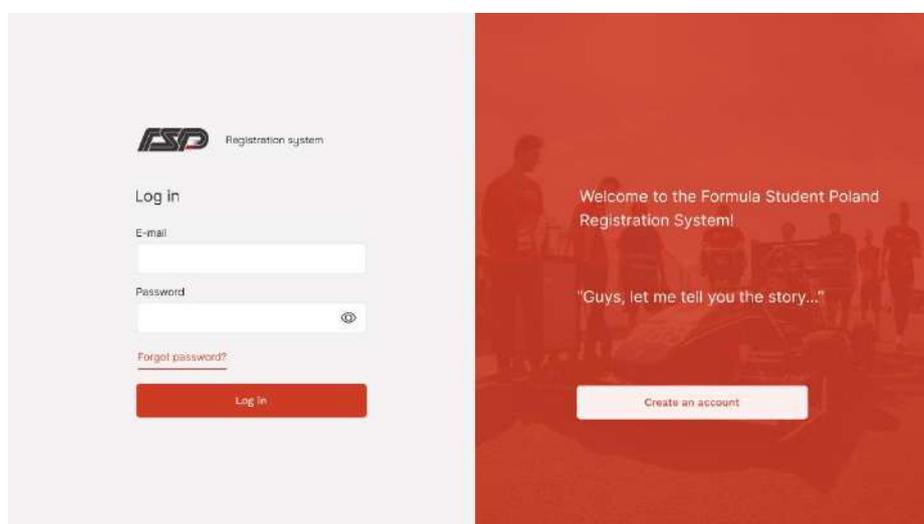

EV: Wroclaw University of Technology - PWR Racing Team

CV: Białystok University of Technology - Cerber Motorsport

2. Create a Team Account

To register for Formula Student Poland, you need to have a team account on our website platform available on our website [Competition '24 – FS Poland \(fs-poland.pl\)](https://fs-poland.pl).

- There is only one account per team – which means no accounts for individual members, Team Captain should create team account exclusively.
- You have to create your account at least 24 hours before the registration quiz.

3. Fill out your team's data

While creating an account (and thus being able to take part in the registration process) there are 3 sections to be filled out.

1. Team information:

- Team Name,
- University,
- Category, (EV/ CV incl. Hybrid)
- Preferred car number.

2. Profile details:

- Team Captain's Name,
- E-mail address (which will be used each time for login),

3. Billing information

- University/Company name
- Administration e-mail address
- VAT ID
- Country & Billing Address

After e-mail verification you can log in to our platform where you can find **Quiz tab**.

Please, note that Billing Information is optional at the step of creating an account, but needs to be completed before the quiz date (you will find them in the system dashboard after logging in).

4. Take the quiz

- You can only log in with one computer (read: browser session) at a time. Logging in from a different machine (or browser) will automatically log off the other one.
- Please use a modern browser without any content-changing plugins. e.g. Ad blockers, we suggest to use Google Chrome or Microsoft Edge.
- There will be two separate quizzes for CV&Hybrid and EV classes.
- Quiz time is counted from the start of the quiz in the system, not from a single quiz entry.
- Refreshing the page while the quiz is open will result in the loss of your current answers. However, you will still have the opportunity to complete the quiz.
- The quiz will automatically close at scheduled time, and any of responses will be then automatically saved, even if you do not make it to click the submit button.

Starting date/time for the quiz is **January 25th, 2024, at 05:00 pm (CET)**-. The quiz will be available from the start for 2 hours. Each team has one attempt at the quiz. All questions will be available on one page. Responses will be automatically verified by the system which takes into account first the correctness and then the time of completion of the quiz.

5. Results and payment

5.1 Results

You will have access to automatic results immediately after the quiz closure for all. Preliminary list will be available three hours after the end of the quizzes.

A team that qualifies for the FSP 2024 round must have an account on FSG, (within January 26th to February 9th) with the possibility of receiving a number between: 401-699.

5.2 Protests and appeals

Please send any of the complaints and protests to e-mail : info@fs-poland.pl . The team has a maximum of 24 hours to send protests after the publication of the preliminary list. We will try to solve the problem.

In the e-mail content, please provide a detailed description of the incident with attachments - screenshot / precise time and date / what cases we are considering.

General rules of the quiz:

- in case of failure for all - quiz cancelled
- in case of failure on the part of the user - refresh and back
- random causes, and user errors - FSP no responsibility
- factual errors - cancellation must include full documentation with supporting documentation
- In case of website failure at 17:15 CET on website FS Poland (fs-poland.pl/competition/) link to quiz on another platform will be available.

5.3 Payments

For FSP 2024, the registration fee includes one vehicle, 15 team members and a campsite.

For all classes 2024 registration fee is **€2.000**, excluding VAT, each additional person is a cost of **€50** (and can be settled later).

Payment must be made by **January 31st, 2024**. For teams on the waiting list, the deadline for payment is **72h** after receiving information about qualifying for the FSP round.

5.4 Refund Policy

The event may be canceled as a result of force majeure, which is understood as events beyond the control of the organizers, with particular emphasis on the restrictions imposed by the government of Poland, preventing the organization of this event in Poland and random situations resulting from the epidemiological situation in Poland.

If this is the case, the organizers reserve the right to return:

- 100% of fee (if the inconvenience occurs before May 30th),
- 70% of fee (if the inconvenience occurs before June 30th),
- No refund (if the inconvenience occurs after August 1st).

While the cancel of the participation lies with the team (regardless of reason and date) registration fees, campsite fees and deposits are not refundable.

In case of any questions or ambiguities regarding registration or payment, please contact us at info@fs-poland.pl.
